Spring 2011 Feature Finish: Venetian Plaster

Venetian plaster has been called lime stucco, polished plaster, stucco lustro, stucco lucido, imported plaster, Italian plaster, Marmorino & Veneziano. Whatever you call it, Vasari plaster is truly the most beautiful, luxurious & affordable wall finish available.

Composed of finely crushed marble, aged lime & natural pigments the sheen, depending upon application style, can be compared to finely polished marble, soft satin or traditionally rustic stucco. Our product is not a faux finish. It is the 'real thing' synonymous with the traditional stucco and plaster used around the globe for ages.

All of our work is custom. We work in a wide variety of art styles and techniques and are confident we can satisfy the most discerning client.
